Manaaki Tairāwhiti

Purpose

To provide the sector with locally-focussed united leadership that enables whānau perspectives to shape how services connect.

Our united leadership will drive forward the strong social sector collaboration necessary for improved whānau outcomes.

Manaaki Tairāwhiti Goals 1

Leadership and Governance

- De-cluttering the 12 groups that oversee a variety of projects or trials occurring in Tairāwhiti under multiple levels of governance and funding arrangements;
- Shifting to a single oversight group with improved line of sight to, and across, the various initiatives and services engaging with whānau in Tairāwhiti

Manaaki Tairāwhiti Goals 1

Leadership and Governance

Separate groups with oversight of initiatives including Children's Team, Family Violence Network, Prisoner Integration, Safe Tairāwhiti, Whanau Ora, SST, Vulnerable Pregnant Women, Youth etc

Cluttered arrangements for Leadership, Governance and/or Advisory functions overseeing multiple initiatives

Manaaki
Tairāwhiti

Single governance with oversight of Community-led Action Plans and Integrated Agency responses engaging with whānau

Manaaki Tairāwhiti Goals 2

Lead Service and Practice Improvements

- Promoting information sharing that fosters trust between whānau and service providers, and delivers information to frontline service professionals when they need it
- Building a transparent structure that enables iwi and social sector providers to reshape services and lead practice improvements

Manaaki Tairāwhiti Goals 2

Lead Service and Practice Improvements

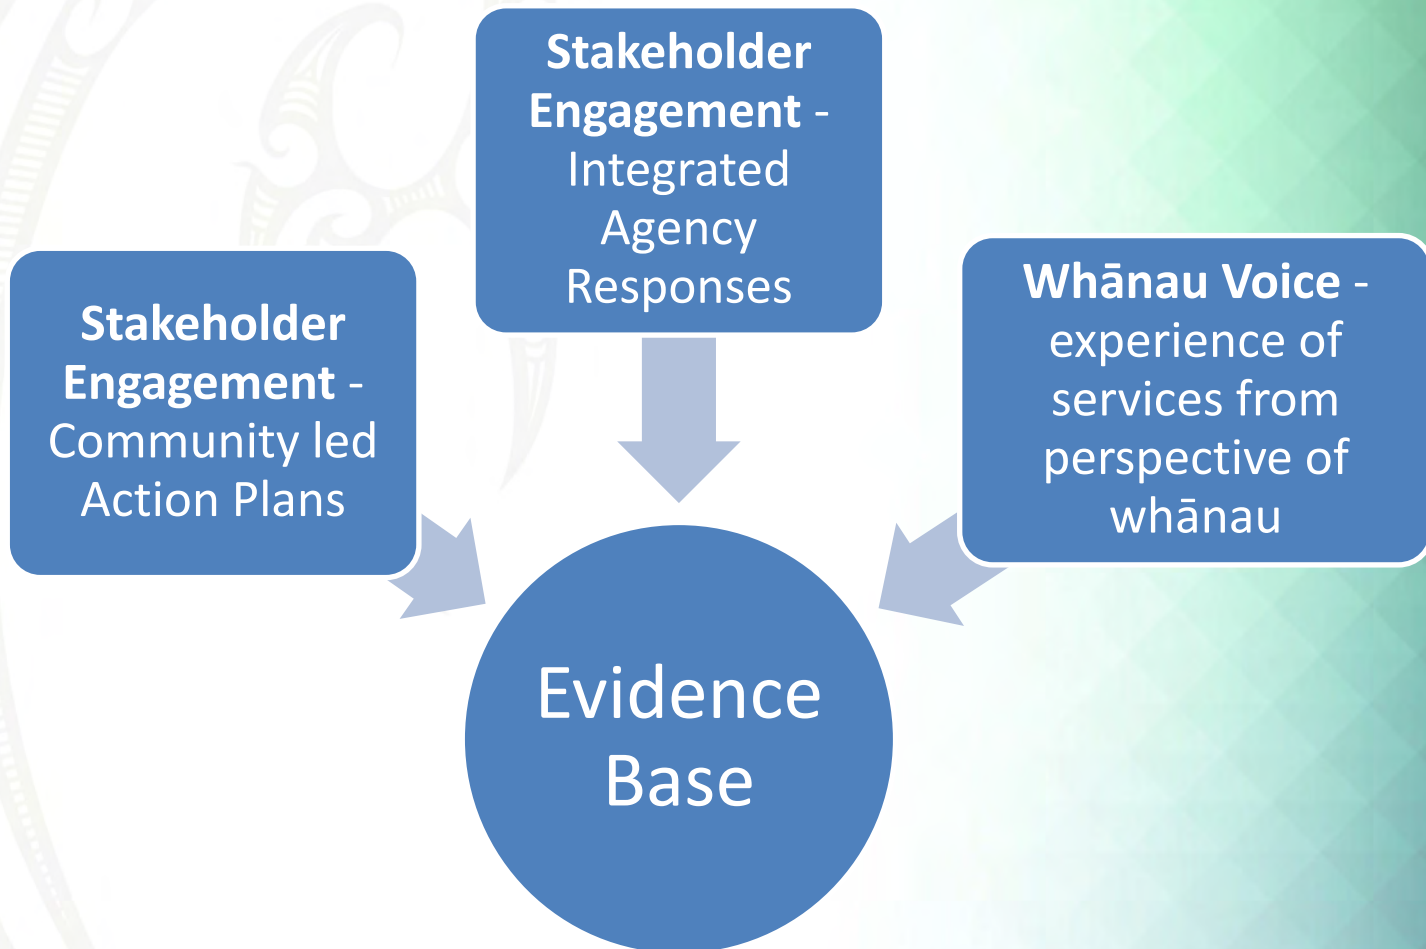

Manaaki Tairāwhiti Goals 3

Stakeholder Engagement and Build a Local Evidence Base for the Sector

- Enabling stakeholder engagement through development of community-led Action plans
- Building an evidence base of what is working best to inform future service and funding decisions
- Appraising all new initiatives that come into Tairāwhiti to ensure alignment with other joint initiatives such as Whangaia Nga Pa Harakeke and Te Pa Harakeke

Manaaki Tairāwhiti Goals 3

Stakeholder Engagement and Build a
Local Evidence Base for the Sector

Principles & Values

- **Whānau First** – we will consider the needs of tamariki/children and their whānau/families first, before all other considerations
- **No Excuses** – we will be solution focused and action orientated. We will not let barriers get in the way of securing outcomes
- **Strengths** – Our lens and practice methodology will be based on a strengths based approach influenced by the tamariki/children and their whānau/family
- **Whānau Ora** – Tamariki/children exist in the context of their whānau/family and wider hapu/community. We will use this dynamic in all solutions proposed

Manaaki Tairāwhiti

Principles & Values

- **Integration** – we will ensure there is a joined up approach. We will not let solutions fail for want of thresholds, commitment and resources
- **Evolutionary** - We will share learnings to improve our practice and services
- **Connected** - Ensure everyone has the right information to make the right decisions about services to achieve the best results
- **Simple** - Simplify processes and service provision
- **Pono** - Develop honest and trusting working relationships and where there are differences be clear about why

Enabling all whānau to flourish.
